**FEMALE HOCKEY**  
**SHOWCASE '23**

The purpose of the day is to showcase the female hockey talent in West Central Saskatchewan. Female Hockey is growing exponentially across the globe, and we are seeing similar growth in West Central Saskatchewan.

A decade ago, we had 1 female team playing in the area. This year, there are 14 teams registered under the Western Prairie banner, with 249 girls registered in U9 to U18 age groups, and approximately 50 more in U7. This gives us a total of roughly 300 girls playing hockey in our West Central region! The growth of the female game in West Central is also creating new opportunities. This year is the first year for the U15AA team in the area allowing local girls to stay closer to home but play a higher level of hockey. There are also more than a dozen girls playing in the U18AAA Saskatchewan Female Hockey League that call West Central Saskatchewan home.

Hopefully this day encourages these girls to continue playing throughout their minor hockey years, and inspires new girls to start playing this great game.

Prairie Centre is proud to sponsor this event showcasing female hockey talent. Investment in minor sport is an investment in building a team mindset, developing individual skills, and in coming together in pursuit of excellence. The skills learned through team sport benefit players beyond the ice surface. On behalf of everyone at Prairie Centre Credit Union, we wish all the players and coaches a fun, competitive, and enjoyable weekend.
